A photograph of a wooden desk with a calculator, a pair of glasses, and a document. The document features several charts, including bar charts, pie charts, and line graphs, along with tables of data. The word "Contents" is written in a large, white, cursive font over the document.

Contents

1. Preparing the data
2. Checking the data
3. Descriptive statistics
4. Comparing proportions
5. Comparing two means
6. Comparing more than two means
7. Correlation analysis
8. Non-parametric tests
9. Comparing repeated means
